

INSTRUCTIONS

- Using paper or thin card, print out the following pages in full colour or black and white.
- Cut along the dashes and fold each card in half along the dotted line.
- Glue the blank sides together to strengthen.

HOW TO PLAY

- Mix up the 36 playing cards.
- Lay the cards face down, in rows (See example opposite).
- Taking turns, each player turns over any two cards.
- If the two cards match, the player keeps them both.
- If the players cards do not match, turn them back over.
- The game ends when all the cards have been matched. There are 18 pairs in total.
- The player with the most matched cards wins.

TOP TIPS

Remember what was on each of your cards card and where it was. Also take note of what other cards the other players reveal.
