

# Design a pop badge

Print out and then draw your pop badge design in the circle below and colour in. Please draw around the logo.

You can also design your pop badge digitally on a tablet or desktop if you prefer. Please make sure the circle is large to ensure the best print quality.

Once finished please take a photo of your design and post on Facebook to be in with the chance to get your pop badge created! The competition post will be posted at 12pm on Monday 2nd August.
